EXPRESSION OF INTEREST

OPEN ARCHITECTURAL AND ENGINEERING COMPETITION FOR DESIGN OF ENTRY GATES AT MULTIPLE LOCATIONS IN UJJAIN CITY

The Ujjain Development Authority (UDA), the principal urban planning and development body for Ujjain City, is dedicated to creating infrastructure that reflects the city's rich cultural heritage while supporting its modern growth. As part of its ongoing efforts to enhance the city's visual identity and civic appeal, UDA invites Expressions of Interest (EOI) from interested candidates for conceptualizing and designing entry gates at multiple strategic locations across Ujjain. This design competition aims to create iconic and contextually inspired entry points that celebrate Ujjain's spiritual, historical, and architectural legacy while offering a welcoming experience to residents and visitors alike.

The selected designs will serve as reference points for future implementation and must include considerations for:

- Cultural relevance and architectural integration with Ujjain's spiritual and historic identity
- Innovative use of materials, scale, and structural form
- Night-time illumination and signage integration
- Visitor-friendly landscaping and environmental harmony
- Ease of execution with flexibility for modifications during implementation
- Designs should be practical, scalable, and easily maintainable while offering a distinct visual character that enhances the sense of arrival into Ujjain. The authority seeks creative, sustainable, and technically sound proposals that reflect the grandeur and sanctity of the city.

AIM & OBJECTIVE

The aim is to select suitable, reputable Architectural and Engineering Design Consultancy firms to provide a concept for **"Entry welcome gates at nine locations in Ujjain City"**. The main objectives of this competition is:

- To inform the visitors about Ujjain
- Promote tourism
- Serve as a symbolic representation of the city's identity
- The entrance gate of Ujjain city also contributes to the aesthetic appeal and visual mythological identity.

ELIGIBILITY

Participation in the competition shall be open to architects/engineers/planners/students etc can apply.

COMPETITION PROCEDURE

The competition shall be a two stage competition:

Stage 1 - Shall be limited to submission of concept. Sketches, Plans etc. can be submitted to explain the competitor's vision of the project. No actual photographs of any built buildings or structures shall be used. The competitors should provide the submission in hard and soft copies.

On receipt of the entries from the competitors, the Jury will judge the entries.

The competitors selected by the Jury in **stage-1** shall be invited for further detailing of the project in **stage-2** of the competition. If required, additional information/instructions will be issued to the competitors.

Stage 2 - Submission of further detailed drawings and designs by the competitors at suitable scale, suggestions about type of execution model in respect of financial viability, maintenance model, elevation, sections, landscaping & using sustainable materials etc. in hard and soft copies and Power Point Presentation by the competitors.

JURY

To adjudicate on the designs submitted, and make the award, the Jury members will be decided.

PRIZES AND MENTIONS

The promoter shall pay the prizes for first & second position as stated below:

- i) The author of the design placed first ----- Rs. 1.00 Lakh
 - ii) The author of the design placed second ----- Rs. 0.51 Lakh
 - iii) Each competitor short listed by the Jury for Stage-2 will receive an honorarium of Rs. 0.25 Lakh
- Which will be adjusted in the prize money in case of prize winners.

DECLARATION OF AWARDS

After judging the entries & Power Point Presentations, awards of the competition will be declared by the Jury. The decisions of the Jury will be final and binding on the Authority and Competitors.

TERMINATION OF THE COMPETITION

Against all expectations entertained by the Authority, if the competition is terminated before submission of the Drawings/Designs by the competitors.
